Allowable Subject Matter

Claims 1-6, 8-19, 21-25, and 27 are allowed.

The following is an examiner's statement of reasons for allowance:

As is made clear by the record, the examiner objected to claims 7-9, 20, 21, 26, and 27 for being dependent on a base claim, but would be allowable if rewritten in independent form. See pages 10-11 of the Office Action dated 05 April 2004.

In accordance with the examiner's findings, the applicant has amended the independent parents of claims 7, 20, and 26 to include their allowable limitations while canceling the aforementioned claims. In addition, the applicant has rewritten claims 8 and 21 in independent form. Thus, all independent claims and their respective dependent claims are allowable. See page 9 of applicant's amendment dated 30 June 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
